EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claim

In line 2, the word "high" needs to be changed to -mid/high--.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

The instant application is deemed to be directed to a nonobvious improvement. The improvement comprises a multi-channel audio center speaker device having a low-frequency, mid-frequency, and high frequency sound box characterized such that the low frequency sound box has plurality cavities and is facing forward in the device; the mid-frequency sound box is installed on both sides of the low frequency box and having a plurality of cavities and a center wind hole placed at the rear; and the mid/high frequency box and a high frequency sound box is installed such that the high frequency box is facing forward and tilted and the mid/high frequency sound box is facing rearward and tilted, as substantially described and connected with the other function language of the recited claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
